

K&M TIRE 2012 PRODUCT BOOK

JANUARY 2012

WHAT WE CAN OFFER YOU

Our Story

K&MTire was founded in 1970 as a two-bay gas station in a small Northwest Ohio town called Ottoville. Not long after the gas station was opened, K&MTire began wholesale tire distribution operations. By 1980, the gas station was sold and K&M moved into a more spacious facility in Delphos, OH in order to expand the wholesale tire business.

The 1980's brought an expansion into the retail tire business as K&M opened several tire and service facilities. However, all retail locations were sold within just a few short years in order to focus strictly on the wholesale business. In 1990, K&M opened a new location in Toledo, OH and moved into a larger facility in Delphos in 2000.

Strong leadership, outstanding work ethic, an innate desire to succeed, and a genuine love of the business have allowed K&M to become the company it is today. With more than 250 employees at 12 locations, serving thousands of customers across 21 states, K&MTire strives to offer quality service, a diversified product line, and numerous beneficial programs to our customers.

1996: K&MTire purchases Rao Tire and expands to the Detroit, MI market

1998: K&M Tire purchases Premier Fleet Services in Macon GA.

2000: K&M expands coverage area to include Northern Indiana and Chicago, Illinois

2001: Solidifying market coverage in Chicago, K&M purchases Berry Tire's three Chicagoland locations. Not long after, the three locations are consolidated into one facility with a strong concentration on growing the wholesale tire distribution business.

2001: Detroit, MI location expands operations and moves to a larger facility

2008: K&M opens a new warehouse in Grand Rapids, MI to improve service within Western Michigan

2010 (September): To better service our customer base in Northern Illinois and Southern Wisconsin, K&M opens a new warehouse in Madison, WI

2010 (November): K&M acquires Triton Tire & Battery from Eagan Minnesota-based Universal Cooperatives. The acquisition makes K&MTire one of the largest distributors of farm tires in the United States with four additional warehouses throughout the Great Plains and Mississippi Valley. New locations in Wichita, KS; Omaha, NE; Bismarck, ND; and Minneapolis, MN, along with a new warehouse in Des Moines, IA allows K&M to better service our Western customers.

2011 (January): K&M re-launches the Mr. Tire program, which is K&M's own multi-branded dealer program. Mr. Tire is re-branded and allows our loyal dealers to access online tire sales, among numerous other benefits, including parts and oil programs, as well as signage and uniform programs.

2011 (August): K&M expands our commercial tire operation in Macon, GA to include wholesale distribution with improved delivery and a greater focus on distribution.

2011 (September): The Mr. Tire dealer network expands to include more than 265 servicing locations nationwide.

Quality Service

Competitive Pricing

We buy in quantity so you don't have to, allowing us to give you the best pricing we can offer.

In-Stock Tires

We have a large quantity of in-stock tires from a variety of manufacturers in each of our warehouses. This gives us the ability to better serve you by allowing you to keep your overhead down and your profits up!

Prompt, Reliable Delivery

We offer scheduled daily delivery routes driven by professional and courteous personnel. Reliable delivery from K&MTire allows you to meet your customers' needs in a quick and timely manner.

Knowledgeable Sales Staff

Our friendly and competent sales staff has many years of combined tire experience to serve you efficiently and quickly. They can also answer any questions you may have regarding the various tire lines we carry.
